This year marks **68 years** of the Saltwater Brass Band bringing the sound of American brass to communities across the Northeast. Whether you're a longtime fan or new to the music, there's a seat waiting for you. As we continue our 2025-2026 concert season, we hope you'll join us for our next performances!

The Next Gen of American Brass

Saltwater Brass is launching a **Youth Brass Band** program this fall! Thirty local high school musicians will be mentored and introduced to brass music, culminating in an exciting joint concert experience. **Stay tuned for more details.**

You can help get our youth program off the ground & keep the American brass sound alive!

What Makes Our Unique Sound?

Rooted in the American brass band tradition, our rich, powerful sound brings together community, heritage, and the unmistakable energy of brass.

To get that authentic sound, here's what you'll find in our band:

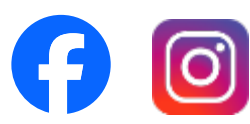

*Cornets • Flugelhorns • Tenor Horns
Baritones • Euphoniums • Tuba
Saxophones • Percussion*

And, here's what you'll find in our audience:

*Clarinets • Flutes • Oboes •
Bassoons (we love 'em, but honestly,
we'd 'blow' them away!) 😊*

Education • Preservation • Live Music
